

## **Lead Practitioner**

### **Accountability**

You are accountable to the appropriate Head for all work undertaken.

### **Management Responsibilities**

- To undertake management responsibilities as delegated by the appropriate Head.

### **Curriculum Responsibilities**

- To reflect the principles underlying the School's curriculum framework in preparing, teaching and developing with others (staff members and partners from industry and commerce) aspects of the curriculum including the National Curriculum where necessary.
- To ensure that appropriate assessment strategies are implemented and fully understood by parents, students, teachers and external partners.

### **Training Responsibilities**

- To develop and share high quality teaching methodology across the four schools

### **Fabric Responsibilities**

- To ensure that the spaces for learning given into care are attractive and well kept, free from litter and graffiti and conducive to creating a safe and stimulating working environment.

### **Community Responsibilities**

- To involve industry, parents and educationalists as fully as possible in the life and development of the school's work.

### **Industry and Commerce Responsibilities**

- To ensure that contributions to curriculum design and delivery by industrial and commercial partners assigned to you are made within the full spirit of collaboration.

### **Appraisal Responsibilities**

- To be an active participant in and recipient of the School's appraisal system, which will include an annual review and where necessary, re-designation of responsibilities in the interests of students and staff needs.

### **Teaching Responsibilities**

- To prepare, plan and teach the agreed curriculum, utilising as fully as possible the Information Technology System available in the School's.

### **Other**

- To comply with the School's Corporate Dress Policy where appropriate.
- To carry out other reasonable tasks from time to time as directed by any of the Head's
